

# FastDOL Federal Enforcement Dataset

The unified US compliance signal for B2B data — 4.4M employers · 15 federal sources · 100M+ federal records · refreshed daily

## What it is

Structured, entity-resolved data from 15 US federal regulators covering workplace safety, wages, environment, federal contracting, and product safety. Every US business with a federal regulatory touchpoint, in one feed.

### Scope

**Entities** 4.4M US employers (entity-resolved)

**Records** 100M+ federal records (enforcement + contracting)

**History** 1972–present (varies by source)

**Geography** 50 states + DC + territories

**Refresh** Daily snapshot + incremental delta

### Sources (primary government)

**Workplace safety** OSHA, MSHA

**Labor / wages** DOL WHD, OFLC, NLRB

**Environment** EPA ECHO

**Federal contracts** USAspending, SAM exclusions

**Product safety** CPSC, NHTSA, FMCSA

**Healthcare** CMS nursing homes

**Trade** ITA AD/CVD cases

## Data quality (measured, not asserted)

**Entity resolution.** Deterministic name + address normalization + Splink probabilistic matching.

**Audited precision.** 100% on held-out company-tier sample (Wilson 95% CI  $\geq 97.5\%$ ,  $n=286$ ). Full methodology document available under NDA.

**Stable IDs.** employer\_id and company\_id stable across snapshots — no renumbering churn.

**Provenance.** Every record carries source + ingest timestamp.

### Access

**Bulk snapshot** Parquet / CSV via S3 or signed URL

**Incremental** Daily delta feed

**REST API** On-demand company-level lookup

**Schema** Documented; OpenAPI spec + data dictionary

### Use cases

**B2B sales enrichment** risk-aware account discovery

**Vendor risk** supplier safety/labor/env. screening

**ESG reporting** structured S-pillar data

**Insurance pricing** workers' comp + commercial underwriting

**Legal research** longitudinal enforcement patterns

## Licensing

Wholesale data license for embedding in B2B data products. Annual minimum + usage tier. Sublicensing terms negotiable. Sample data and methodology document available under mutual NDA.
